Public Works Department,
Bombay Castle (Bombay No.1),
3rd March 1955.

From
The Assistant Secretary to the Government of Bombay
Public Works Department.

To
The Director,
The Nipani Electricity Company, Limited,
Dharwar.

Subject :- Position of electric supply at Nipani.

Sir,

I am directed to refer to your letter dated the 30th December 1954, on the above subject and to state that it is observed that the maximum demand on the station rose to ~~pack~~/peak value as follows :-

Quarter ending	Maximum demand.
31st March 1954	193 K.W.
30th June 1954	208 K.W.
30th September 1954.	189 K.W.

Further the maximum demand for the quarter ending 31st December 1954 has been reported as having attained a peak value of 270 K.W. on the 27th October 1954 between the hours 7 P.M. and 8 P.M.

I am, therefore, to request you to order out immediately an additional set of adequate capacity to meet the rising demand of the station in consultation with the Secretary, Bombay Electricity Board, and report to Government the action taken by you in the matter.

Yours faithfully,

Sd/-
Assistant Secretary to the Government of Bombay,
Public Works Department.

No.CCD 1156-G,
Rehabilitation, Housing and
Backward Classes Department.
Sachivalaya, Foreshore Road,
Bombay, April 1956.

16 APR 1956

From

The Assistant Secretary to the Government of Bombay,
Rehabilitation, Housing and Backward Classes Department.

To

The Director,
The Nipani Electricity Company, Limited,
Dharwar.

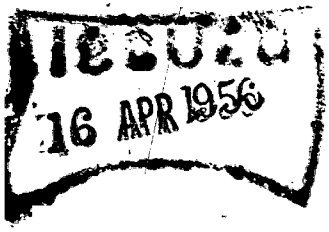
Subject:- Requirements of cement for erection of
S.M.Engine with Generator and switch-board.

Sir,

With reference to your letter dated the 10th February, 1956 addressed to Government in Public Works Department, on the above subject, I am directed to state that due to acute shortage of indegenous cement it is not possible to to allot you any cement from indigenous quota. However imported cement will be available from the middle of April 1956. The price is expected to be in the neighbourhood of Rs.140 to 150 per ton exclusive of freight charges.

If.....

If however you are interested in ~~the~~ imported cement you may approach the Controller of Iron and Steel and Cement, Bombay for the same, direct.



Yours faithfully,

8/6410

(N.M.JANI),

Reference:- A letter No. LNP 2555 K of ~~XXXXXXX~~ 6th April 1956
from the Asst. Secretary to Govt; of Bombay P.W.D.

Sir,

The Assistant Secretary to Govt. of Bombay, P.W.D., The Bombay Electricity Board and the Electrical Engineer to Govt. of Bombay, P.W.D. have directed us under their letters Nos. LNP 2655 K of 3-3-1955, PLE-BM- 2(A) 317118 of 7-10-55 and letter No. LRM 31 of 17-10-1955 respectively, to suppliment the present power position by installing an additional Set of Engine of adequate capacity, as the present capacity of the Power House plant is inadequate to meet the increasing demand.

Under the circumstances, we have purchased one S.L.M. Engine of 234 BHP. with Generator &c., complete from the Dharwar Electricity Co. Ltd, Dharwar. We have to install this Engine immediately to coupe up with the demand. For this work of Erection we require about 15 tons of cement. Kindly arrange to supply the same in priority as it is a Public Utility Conern and the work is of very urgent nature.

We saught help in the matter from the Assistant Secreta o Govt. of Bombay P.W.D. who has advised us in the above referred letter, to approach you in the matter.

We therefore, request you to kindly arrange to supply the quantity required (viz;- 15 tons of cement) as early as possible.

Thanking you,

Yours faithfully
For the Nipani Electricity Co. Ltd.

G. No. 23868
Date 2-MAR-1956

Subject:- Position of Electric Supply at Nipani- Installation of additional generating capacity.

Reference:- Letter dated 12-4-1956 from the Nipani Electricity Co. Ltd., addressed to you.

Sir,

A reference is invited to the above letter from Nipani licensee addressed to you regarding priority certificate for 15 tons of cement required for use in installing an additional set at Nipani Power House. The Nipani licensee has already been directed by the Government in Public Works Department and by this Board to expedite the installation of additional generating capacity so as to improve the power supply position at Nipani and thereby remove the inconveniences caused to the public there very early. Necessary permission of this Board under Section 44 of the Electricity (Supply) Act, 1948, has also been granted to Nipani licensee to purchase and instal the generating set referred to in his above letter.

As the work involved in the installation of above set is of very urgent nature and will be for the benefit of public of Nipani, it is recommended that the Nipani licensee's above letter may be considered favourably and necessary arrangements may kindly be made to issue a priority certificate for release of about 15 tons of cement in favour of Nipani licensee so as to enable him to complete the installation of additional generating set at Nipani Power House very early.

Yours faithfully,

Sub : Position of Electric Supply at Nipani.

Ref : Your letter No.LNP 2655-K dated 26-5-56

Dear Sir,

With reference to your above, we have to bring to your kind notice that no progress could be made for want of cement. We had approached to the Iron & Steel Controller, Bombay, The Assistant Secretary to Govt., Rehabiliation & Housing department, Bombay on 9-5-56, Bombay Electricity Board, Bombay on 9-5-56, The Electrical Engineer to Govt. of Bombay, P.W.D., Bombay on 13 & 26-5-56 and the Collector of Belgaum on 9-5-56 for the permit for 15 tons cement.We had also sent reminders to all of them. Uptill now we have not got the permit to purchase the cement. Therefore, we request your honour to make necessary arrangements for the supply of cement and to enable us to install the Generating set at the earliest.

We will have to install the set within Diwali i.e. November, to give lighting facilities at the time of festival. Till Diwali, load in the evening also will be less. After Diwali, the maximum load and evening load will be more. So in the interest of giving good lighting facility and also undisturbed electricity, it is necessary to install the engine within Diwali. We have collected all the other materials for installation of engine except cement which is not in our hands. We have written to all the persons concerned for cement but till now we have not received the permit.

We will be highly obliged if you will give instructions to Iron & Steel Controller, Bombay or The Collector of Belgaum, Belgaum to issue cement to facilitate early installation of the engine.

Thanking you.

Yours faithfully,
For The Nipani Electricity Co.,Private Ltd
